

# 2025 Gluten-Free Foods at the Fair List

Sponsored by Twin Cities R.O.C.K.

Minnesota State Fair food vendors self-reported foods they consider gluten-free.

Twin Cities R.O.C.K. requested vendors evaluate ingredient & supplier information and disclose cross-contact protocols.

This list should be considered a starting point for your gluten-free food search.

*Those eating gluten-free should be diligent in asking questions of the vendor before deciding if a food item is okay for you to eat.*

**\*: Indicates a chance of inadvertent gluten cross-contact, based on information provided by vendor; however, control methods are part of the operational procedures. Vendors with no \* indicate purposeful control measures in place and/or use of naturally gluten-free food & ingredients. This list is not a certification of gluten-free foods or vendors. Use your personal discretion when making selections.**
